

## 7) Session Opening and Land Acknowledgement:

Please open the session with a brief welcome, end with an intro of the speaker/session, and invite people to complete the session survey which you can share the link from [HERE](#) in the chat. In between you can say this general land acknowledgment.

***“We want to acknowledge that the majority of us are on unceded lands, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This calls us to commit to continuing to learn how to be better stewards of the land we inhabit as well.”***
