

Support AATE

There are several ways your contribution can support AATE. Please consider one or more of the following (check one or more to designate your gift):

Presidents Fund

Created in 2005 through the phenomenal efforts of some of our most dedicated members and the wonderful generosity of an anonymous donor, the Fund is an investment in our long-term future. **Each dollar you give will be matched one-to-one, doubling your impact.**

Theatre In Our Schools

Every year, the month of March is designated to celebrate and increase public awareness of the impact of theatre in our schools and schools in our theaters. AATE's **advocacy tools, professional development days, and interactive projects for kids** make it one of our most popular programs.

Betsy Quinn Scholarship Initiative

Inspired by the 2011 participation of *Crawling with Monsters*, and in honor of beloved past president Betsy Quinn, this new initiative supports the participation in the AATE annual conference by the **members of a well-deserving and high-quality youth program**, particularly those involving under-served populations. With your help, they can receive travel and registration assistance and the opportunity to present an internationally significant aspect of their programming.

Annual Fund

Contributions to the Annual Fund support the **heart and soul of AATE**: membership benefits such as *Youth Theatre Journal*, *Incite/Insight* magazine, our website and online resources, advocacy efforts, and more!

Payment Information

Name: _____ Address: _____

Email: _____ Phone: _____ Amount of Gift: _____

Please renew my membership Individual (\$115) Organization (\$220) Retired/Senior (\$70)

Form of payment Check (payable to AATE) Visa M/C **TOTAL DUE:** _____
